# INTERNS CORNER

## Noreen Fatima

I have been an intern at AMFCO International for the last three months. It was the first opportunity for me to know what it is like to work in an office environment. It was a chance for me to improve my interpersonal skills and I did it. The most challenging part of my internship was to adjust in a completely new environment but it didn't take much time because AMFCO's environment is very welcoming, they guide me at every step of learning. It was a wonderful opportunity for me to get real world experience and to make connections with professionals in my field of interest.

## Ameer Ali

I am Ameer Ali Rajput. I am a Student of B.COM. I haven't experienced the professional environment before, AMFCO gave me the opportunity where I analyzed the professional environment, utilized my skills and abilities, and polished myself. I am glad that now I am able to apply in any organization.

## Fahad Kamal Ilyas

My name is Fahad Kamal Ilyas; I have recently finished my BBA (Hons.) from Indus University. It has always been my dream to be the Head of Accountant or to become an Auditor in a multinational firm and this is the reason why I opted for an internship at AMFCO. AMFCO taught me how to behave in a professional environment, how it operates in different situations and most importantly how its financial activities are being carried out.

It has been a great experience working here. AMFCO's staff is highly qualified, they are not just skilled professionals but also very supportive and friendly.

## Furqan Hussain

My name is Furqan Hussain and I am doing MBA from Karachi University. It is my first experience of internship and AMFCO provided me with such professional environment where I learnt business ethics. Our seniors share their experiences with us and help us in learning how a company does its financial operations and maintains its records.

## Muhammad Wasiq Khan

I am an intern at AMFCO in its Marketing Department. It was a very good experience working here with its professionals. I learned a lot about marketing strategies and tactics by being here. My seniors taught me business ethics and helped me a lot in my work assigned. They have always been very cooperative and friendly.
